BUREAU VERITAS

ATTESTATION of RECOGNITION

BUREAU VERITAS attests that it has conducted at :

SAFE SAS
Route de Saint Bris
89290 AUGY
France

An evaluation for Recognition with reference to the below-mentioned specifications :

SAFE Recognition Specifications - version dated 15/10/2007

The inspected characteristics included in these specifications concern :

- *An international site exclusively dedicated to the production of diets for laboratory animals.*
- *Guarantee absence of crossed contamination with other diets (for farm animals, zoo animals or pets). Controls of diet and veterinary safety.*
- *Compliance with GMP and GLP requirements. Control of traceability.*
- *Consistent and selected ingredients from quality-controlled origins, with a Baby Food cereal base.*
- *Consistent diet products, devoid of substances not desired for biomedical research applications (drugs, colouring agents, preservatives, flavours).*
- *Formulation-production of special diets and purified diets.*
- *Scientific and analytical support for an International Research Centre.*

The result of this evaluation being satisfactory, Attestation of Recognition :

N° BV/061/RE

valid until 23/10/2010 was delivered [1]

At Nantes,
On november 23rd, 2007

For BUREAU VERITAS
B. Mathieu
Benoît MATHIEU
Agro-Industry Head Manager
