## Definition

Complete diet for poultry. Could be used for several species. Please contact SAFE technical support.

## Product Purpose

Diet poultry 115 is a constant and fixed nutrient diet for poultry (chicks - ducks) used in research. The presentation is mini pellet to reduce wastage and ensure well balance diet without excessive weight gain. For 1 to 15 days of age, the 115 (2 mm) presentation is recommended.

The diet is manufactured in the SAFE dedicated drug-free plan. To be used within the context of experimental protocols.

**Distribution period:** from 1 to 8 weeks old.

**Distribution method:** ad libitum or rationed according to experimental protocols.

Keep fresh, clean water always available.

## Product Presentation

2 mm and 3 mm diameter pellets. Can be modified on demand.

Diet	Packaging	Control sheet	Irradiation dose	Animals status	Product code
SAFE 115 (2 mm)	Paper bag 10 kg	No	None	Conventional	U8983G10R
SAFE 115 (3 mm)	Paper bag 10 kg	No	None	Conventional	U8980G10R
SAFE 115C-DSP-25 (3 mm)	Paper bag 10 kg Sealed Plastic	Yes	>25 kiloGrays	Heteroxenic	U8986G10R
SAFE R115-25 (2 mm)	Paper bag Vacuum packed 1 x 10 kg/carton	No	>25 kiloGrays	Heteroxenic	U8985G10R
SAFE R115-25 (3 mm)	Paper bag Vacuum packed 1 x 10 kg/carton	No	>25 kiloGrays	Heteroxenic	U8982G10R

All diets are available with custom packaging, irradiated and with a complete analysis on demand. They are available powdered on demand.

## Nutritional Composition/kg

AMINO ACIDS		TOTAL *
Arginine	mg	11 000
Cystine	mg	3 500
Lysine	mg	10 000
Méthionine	mg	4 000
Tryptophane	mg	2 000
Thréonine	mg	6 700

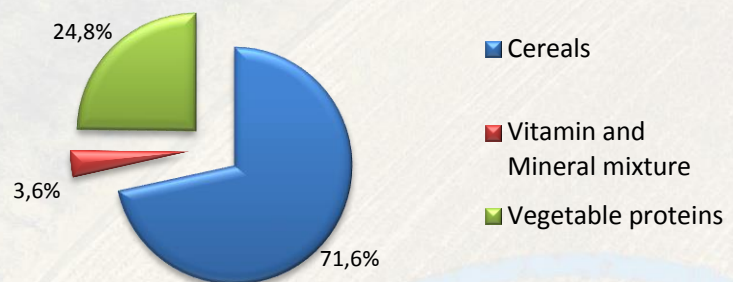

MINERALS		TOTAL *
P	mg	6 600
Ca	mg	8 000
Na	mg	1 600
K	mg	7 400
Mg	mg	1 800
Mn	mg	105
Fe	mg	155
Cu	mg	14
Zn	mg	95
Cl	mg	2 500

VITAMINS		TOTAL *
Vitamin A	UI	14 300
Vitamin D3	UI	2 800
Vitamin B1	mg	5
Vitamin B2	mg	13
Vitamin B5	mg	30
Vitamin B6	mg	7,5
Vitamin B12	mg	0,01
Vitamin E	UI	30
Vitamin K3	mg	2
Niacin	mg	75
Folic Ac.	mg	0,7
Biotin	mg	0,2
Choline	mg	1 100

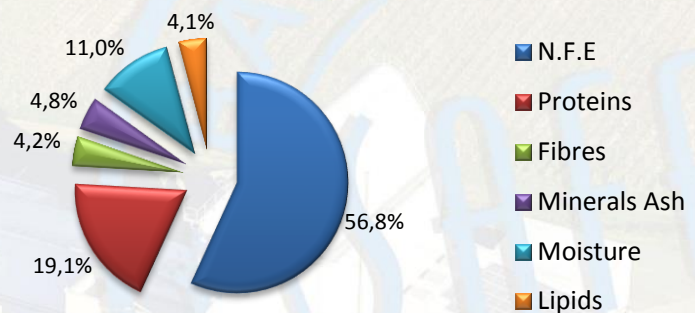

## Composition

Wheat, maize, barley, soybean meal, extruded soybeans, wheat bran, oats, maize gluten, dicalcium phosphate, pre-mixture of vitamins and minerals, calcium carbonate, sodium chloride.
